Transcriber's Office

March 19, 1937 LB 280

SPEAKER WITHEM: Yes, Senator?

SENATOR CHAMBERS: I would like to ask Senator Jensen a question. Senator Jensen, we're the only ones, probably, following this. Do you agree to this amendment?

SENATOR JENSEN: Senator Chambers, I will agree to that amendment.

SENATOR CHAMBERS: Good, then I don't need to discuss it further, but it's going to be necessary to have a call of the house because we don't have enough people here. So that's what I will ask. And then while they come, I will...I'm going to end my presentation now. And if there are no other lights on, then I would close.

SPEAKER WITHEM: Okay. Senator Chambers, as I interpret it, you have relinquished the floor. There are no further lights on. You would be recognized to close on your amendment.

SENATOR CHAMBERS: And I would ask for a call of the house.

SPEAKER WITHEM: At this point, Senator Chambers is asking for a call of the house. The house...the members will vote as to whether the house should be under call. All of those in favor vote aye. Opposed vote nay. Record, Mr. Clerk.

CLERK: 7 ayes, 0 nays to place the house under call.

SPEAKER WITHEM: The house is under call. Members, please return. The house is under call. Members not properly excused need to return to the Chamber. The house is under call. Senator, you have three minutes of your speaking time left.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature. What I'd like to do with my closing time is let you know that Senator Jensen and I agree to this amendment. And Senator Jensen, so that I don't have to explain it all, it's just one word, do you agree with this amendment?

SPEAKER WITHEM: Senator Jensen, will you respond?
